How Do You Keep Your Reliable Transportation Reliable?

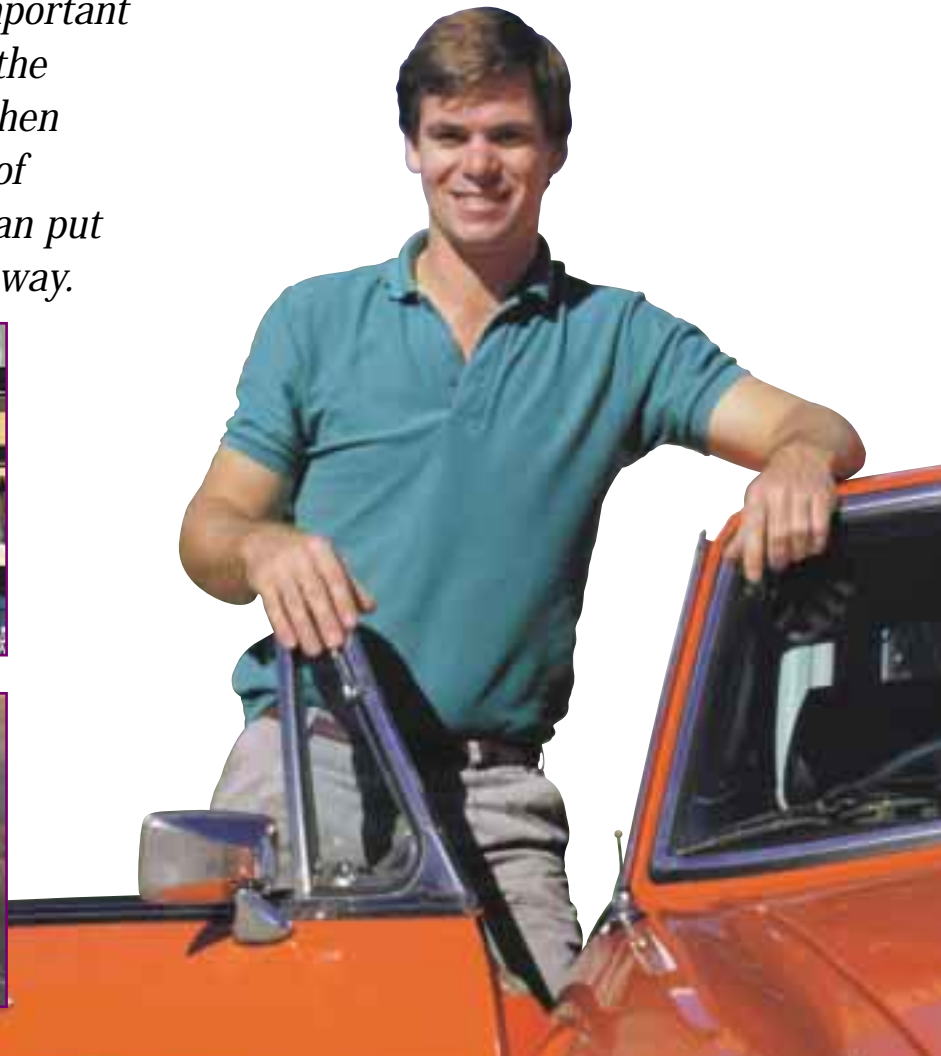

Count on Wynn's®

Because Wynn's has been caring for cars since 1939, they know that your vehicle is more than just a machine. It's an important part of your life. And all the hassles that can occur when a vehicle faces any type of mechanical breakdown can put your life on hold in a big way.

Mechanical Breakdowns Disrupt Your Life with Unwanted Things Like:

- Time Delays
- Inconvenience
- Repair Costs
- Schedule Interruptions

The Wynn's Extended Care™ Service Contract reduces the impact of those problems. Wynn's can help you get your vehicle properly serviced quickly and conveniently. They will pay for the major portion of covered repair bills. And they will get you back on the road and onto your normal schedule with ease and convenience.

New Vehicle Coverage

There are thousands of component parts in a vehicle today. Like all things mechanical, any part could experience failure at one time or another. When breakdowns occur, you will receive special convenience with services like:
