

Wynn's
Extended
CareTM

*Every car deserves
to receive the very best care...
especially yours.*

How Do You Keep Your Reliable Transportation Reliable?

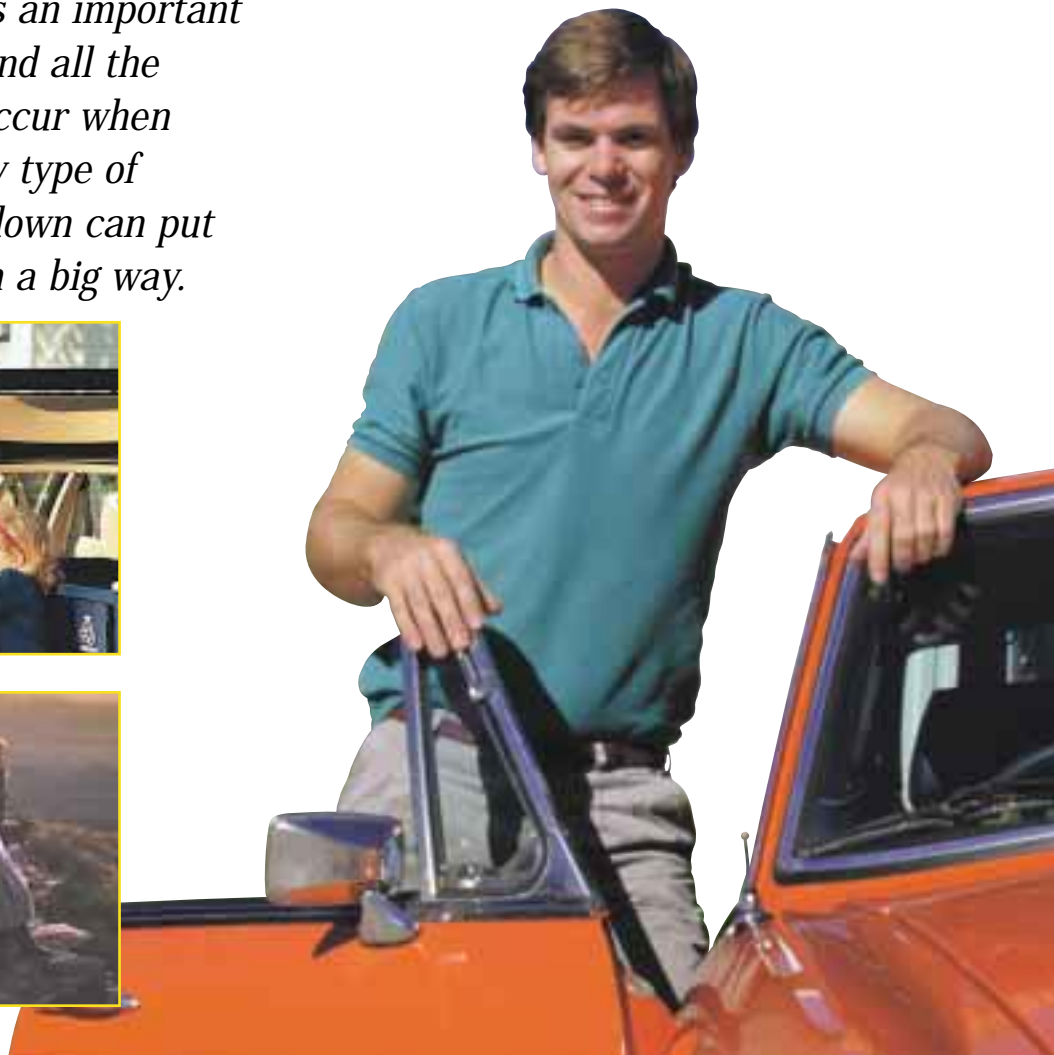

Count on Wynn's®

Because Wynn's has been caring for cars since 1939, they know that your vehicle is more than just a machine. It's an important part of your life. And all the hassles that can occur when a vehicle faces any type of mechanical breakdown can put your life on hold in a big way.

Mechanical Breakdowns Disrupt Your Life with Unwanted Things Like:

- Time Delays
- Inconvenience
- Repair Costs
- Schedule Interruptions

The Wynn's Extended Care™ Service Contract reduces the impact of those problems. Wynn's can help you get your vehicle properly serviced quickly and conveniently. They will pay for the major portion of covered repair bills. And they will get you back on the road and onto your normal schedule with ease and convenience.

Get Special Value!

With the Wynn's Extended Care™ Service Contract, you receive value that meets your busy schedule and your driving needs over the time period that is right for you.

Protection as Selected:

12 months/12,000 miles

24 months/24,000 miles

36 months/36,000 miles

Even 48 months/48,000 miles

When breakdowns occur, you will receive special convenience with services like:

- Toll-free telephone hotline from anywhere in the continental U.S.
- Towing
- Car rental
- Repair payments made to the repair facility of your choice
- Complete coverage up to the total NADA Book value of your vehicle at the time of a claim

Special Coverage to Treat Your Car Extra Special.

Extended Coverage includes:

Engine

All internal Lubricated Parts, head gasket, harmonic balancer, turbochargers, supercharger, timing gear, chain and bolt, timing cover, timing belt, intake and exhaust manifolds, valve covers, oil pan and engine mounts.

Transmission

Transmission case and all internal Lubricated Parts, torque converter, flex plate, vacuum modulator and transmission mounts.

Drive Axle(s)

Drive axle housing and all internal Lubricated Parts, drive shafts, universal joints, and constant velocity joint unless failure was caused by neglected, torn, cracked or perforated constant velocity joint boot. See exclusion for constant velocity joint boots.

Air Conditioner/Heater

Condenser, compressor, compressor clutch, pulley and evaporator, but only if the air conditioner or heater is factory or dealer installed equipment.

Cooling

Water pump, engine cooling fan motor, radiator, radiator fan, and fan clutch.

Suspension

Control arms, control arm shafts, bearings and bushings, radius arm, radius arm bushing, stabilizer bar, stabilizer link, stabilizer bushing, spindle, wheel bearings, and torsion bars.

Steering

Steering gear box or rack and all internal Lubricated Parts, power steering pump, steering column shaft, and steering column shaft couplings.

Fuel

Fuel delivery pump, fuel injectors, and fuel tank.

Brakes

Standard and ABS brake system master cylinder, ABS accumulator, ABS control module, ABS pump, ABS motor, ABS reservoir and ABS wheel speed sensors, power brake cylinder, vacuum assist booster, vacuum brake booster pump, compensating valve, disc brake calipers, wheel cylinders, hydraulic lines and hydraulic line fittings.

Electrical

Alternator, voltage regulator, ignition module, ignition coil, pole pieces, starter motor, starter solenoid, windshield wiper motors, wiring harness, and hand operated switches.

Seals and Gaskets

(80,000 miles or less at time of vehicle sale) Leaking seals and gaskets on any Covered Part listed above. Minor loss of fluid or seepage is considered normal and is not considered a Covered Breakdown.

Transfer Case

Transfer case and all internal

Lubricated Parts.

High-Tech

(Available for an additional charge only.) Power seat motor, power antenna motor, power window motors, power door lock actuator, fuel pressure regulator, sunroof motor, convertible top motor, driver information gauge indicators relating to the operation of the vehicle (burned out lights/lamps are not covered), control dash power supply, and cruise control module and servo/transducer, fuel sending unit, fuel gauge, metal fuel delivery lines, idle speed motor, manifold pressure, manifold temperature, throttle position, mass air flow, oxygen, coolant temperature, vehicle speed, camshaft, and crankshaft angle sensors, primary fuel injection computer, control valve, and temperature control programmer.

Covered Parts include fluids when required as part of the repair or replacement of another Covered Part.

There is one special name in car care.

From shore to shore, Wynn's has a history of keeping vehicles on the road and running smoothly to meet the complex needs of busy lives everywhere.

Note: See the Wynn's Extended Care™ Service Contract document for complete details concerning terms, conditions and exclusions.
